Received from Chief Ship Surveyor

L'S NAME Steel S.S. "KOSMOS" Rpt. Got. No. 9464

remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/32).

of Survey

The 1st S.S. No.1 became due 7,33 and a proposal to carry out same within the year of grace has been agreed to.

The vessel required to be examined in dry dock after grounding.

The Gothenburg Surveyors now report the vessel placed on a floating dock, the bottom cleaned and coated.

On account of damage, the cause of which is not stated, 5 shell plates and bilge keels have been repaired and minor repairs effected.

It is submitted action be deferred.

It should be pointed out to the Surveyors that they are not in order in recommending a fresh record of survey when a Special Survey is overdue.
