ENCLOSURES.

The Secretary.

LONDON.

Dear Sir.

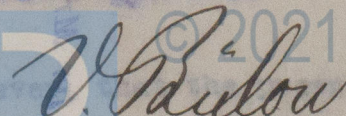

With reference to your letter of the 14th instant relative to the press boilers in the steamer "KOSMOS", I beg to acquaint you that all the boilers of this description onboard this vessel have been surveyed now during the vessel's stay at this port.

It has not been possible to obtain any identification marks on these boilers due to same being completely insulated. We have, however, been furnished with the enclosed two plans by the Owners' Superintendent, Messrs. Arnesen, Christensen & Smith, Oslo, who states that similar plans have previously been approved by our London Office for this vessel.

I shall be glad if you will kindly return the enclosed plans after perusal.

I am, Dear Sir,

Yours faithfully,

W. Paulou
