

Periodical Surveys, when held, must be reported in detail and serially in the terms of the Rules. State clearly the cause of Repairs, if any, and, in detail, the nature and extent of Examinations and subsequent repairs. Repairs on account of Damage (the cause of which must be stated) should be separated from Repairs due to other causes: and Repairs due to other causes should be stated in the same manner.

The Secretary,

LONDON.

Dear Sir,

Enclosed please find for consideration a sketch, in duplicate, showing an alteration effected to four grax boilers onboard the steamer "KOSMOS".

As the shell of these boilers was found to be worn thin on account of the driving chain chafing the inside of the external drum the Owners have cut an opening in the shell and welded on boxes as shown on the plan, without consulting us in the matter.

The Owners' Superintendent states that the same arrangements has been adopted for similar boilers in vessels classed in the Norwegian Veritas.

As the matter is very urgent I shall be glad if you will kindly reply by return of post (air mail).

I am, Dear Sir,

Yours faithfully,

V. Railow
