

Memo. respecting incomplete survey on
the *T.S.S. Yorkshire* (10,184 tons).

London *Mon, Dec 6th* 1920

The above named vessel has
proceeded from *Tilbury* to *Liverpool*,
where the alterations to the
radiator & ventilating arrangements
in the *Prop* deckhouse will be
carried out, & the *Emergency*
oil engine examined.
See *Liverpool Rpt 81253*.

Frederick Stephens
Surveyor.

FOR MR. S. A. HILL.

W453-0138

5c, 8, 19.

It is concluded the floors are $\frac{1}{4}$.44 to .40 as required and as shown
on approved plan, but the Surveyors should state if this is so.
