Dear Sir,

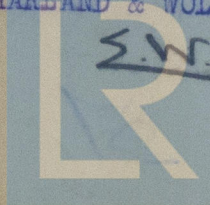

No. 509.

We are in receipt of your letter of the 2nd instant (Ref: M.), advising us of a provisional assignment of freeboard for the above vessel as a cargo steamer only, for which we are much obliged.

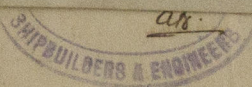

We, of course, quite appreciate that the freeboard as a passenger steamer will be dependent on the watertight sub-division, and that this must comply with the Board of Trade regulations for the Construction of passenger vessels; and in due course will enquire from you whether you are prepared to assign a freeboard under these regulations for the vessel as a passenger ship.

Yours faithfully,

For HARLAND & WOLFF, LTD.
