

Lloyd's Register of British & Foreign Shipping,

Reference

14, Cross-shore Street,
Greenock 15th Feb^y 1908.

Dear Mr Hunter

I noticed in checking
the classification certificate
of the S.S. "Driva" (Messrs
Campbelltown S.B. Co^{ys} & Co^{ys} 83.)
that the deck beams
were drawn as bulb
angles instead of plain
angles. I altered the
section to a plain angle.

and wrote the word
angle before beams, which
now reads. "Angle Beams
 $6 \times 3 \times 9/20$ "

With kind regards.

Yours faithfully
J. French
