Dear Sirs,

I beg to acknowledge the receipt of your letter of the 1st instant intimating that the Boiler Survey of the steamer "BLYTHMOOR" will be carried out on the vessel's return to this Country, which you anticipate will take place in three or four months' time.

In reply I have to say that in the circumstances the Committee, who had the case before them at their Meeting today, are agreeable to the survey in question being postponed for the present.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
