R. Dear Sirs,

With reference to the classification in this Society's Register Book of the steamer "KONSTANTINOS HADJIPATERAS", which, it is noted with much regret, is reported to have been sunk by submarine in the North Sea on the 24th ultimo, I have to acquaint you that it is proposed to make a record of "SUNK" against the vessel's name in the Register Book, but before taking any action, I shall be glad to learn whether you have any objection to this course being adopted in this instance.

An early reply on this point will be appreciated.

I am, Dear Sirs,

Yours faithfully,
