Form No. 245

ed by Chief Ship Surveyor

Received from Chief Ship Surveyor

VEL'S NAME Steel S.S. "PODESTA". Rpt. P.Sd. No. 1436

• remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

e of Survey

It is submitted the Surveyor be informed that the vessel cannot be recommended for class until the outstanding items of testing are cleared up and the stringer angles have been refitted.

He should also be informed that complete particulars of bower anchors with marks are required.

Messrs. Gray & Hunter might be informed of the reply received from Mr. Macvey.
