("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

It is submitted the Port Said Surveyor be requested by urgent cable to reply by urgent cable to the Secretary's letter of the 31st December, and also to state whether the remainder of the survey quoted in his letter of the 4th December has been completed, it being understood from the Owners' Representative in this Country that mooring trials and adjustment of safety valves have been carried out.
