Port Said Report No.1436

-----  
This vessel was built in 1912 by Messrs. A.G. Neptun at Rostock and classed with the Germanischer Lloyd.

During the war the vessel was damaged by shell fire and sunk, but subsequently salvaged.

Extensive repairs have been carried out at Port Said under the supervision of the Society's Surveyors, and the machinery examined throughout with a view to classification with this Society, a satisfactory report having been forwarded.

Plans and particulars of the machinery were approved in the Secretary's letter E of 21/1/21.

*It is submitted that  
this vessel is eligible for  
THE RECORD.*
