31st January, 1933.

Dear Mr. Palmer,

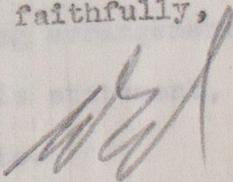

I am in receipt of your letter of yesterday's date with reference to the Convention freeboard for the Steamer "LEDBURY".

Mr. Ellis, the Owners' Superintendent, is quite right in stating that it was arranged that the trimming and coaling hatches on the freeboard deck could be accepted with the existing coamings provided the Convention requirements regarding covers and tarpaulins were reasonably complied with.

In these circumstances, it will not be necessary for you to take any further action in the matter.

With kind regards,

Yours faithfully,

F. R. Palmer, Esq.,
GRIMSBY.
