Dear Sir,

I have to acknowledge the receipt of your letter of the 2nd instant respecting the cases of the motorvessels "MUNSTER" and "BRITANNIC" and in reply to the enquiry contained therein would say that it is considered fees of £5.12.6 and £6.0.0 respectively should be charged for the portions of the Continuous Surveys of the vessels' Oil Engines held at this time.

With regard to the case of the "BRITANNIC" I would say that it is concluded the pumping arrangements have been examined, but I shall be glad if you will request the Surveyor to confirm that this is so.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.
