

"S.S. Langfjord."

Grk. 17909.

Len. 82315.

The engines for this vessel have been built by Messrs. Plenty & Son, Ltd., Newbury, under the survey of the British Corporation. As classification with this Society is now desired, the working parts of the engines have been opened up, examined and found in good condition.

The boilers have been built and the machinery installed under special survey.

It is submitted that
this vessel is eligible for
THE RECORD.

L. M. C. - 11.21. C.L.

And 2020
11/12.
