The Secretary,

London.

Dear Sirs,

m.s. "MALINI".

Referring to your letter of the 10th inst. we beg to inform you that the negotiations in connection with salvage of m.s. "MALINI" are still going on. Our underwriters would therefore prefer that the Committee's decision be deferred until a result has been arrived at. If, however, the Committee cannot very well defer the question further we agree to the vessel being expunged from the Society's Books.

Yours faithfully,
