ENCLOSURE

12th May, 1939.

R. Dear Sirs,

I enclose a copy of a letter which has been received from the Owners of the motorship "MALINI", which sank on the 9th March last in twentythree fathoms consequent upon an air receiver exploding.

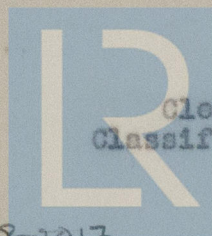

As it is understood from Lloyd's that the Underwriters have settled this case as a total loss, I shall be glad if you will kindly ascertain from the East Asiatic Co., Ltd. and let me know whether they have any objection to a casualty record being made against this vessel's name in the Register Book and all particulars of her being omitted from the next edition of the Register Book.

An early reply will be appreciated as the next edition is now in course of preparation.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
COPENHAGEN.
