It is submitted the surveyor be requested to inform the builders and owners that as the space between decks form a permanently enclosed shell, overboard vessels, overboard scufflers are not permitted and should be led to the bilges as previously arranged. The owners statement that scufflers are fitted in their sides informed that scufflers are fitted in this office and Luddhabiti have been reported, and no arrangement has been made to have them closed and new scufflers led to the bilges.
