The vessel will be worthy to be classed 100A1 with a freeboard
corresponding to that which could be assigned under Table "C"
of the freeboard regulations for a complete superstructure
vessel having no tonnage opening.

The Surveyors should be requested to inform the Builders
that no reduced freeboard could in the future be assigned
unless the scantlings were suitably increased, and the
Builders should be asked to draw the Owners' attention to
this fact.

Owners' consent to Revised Rules.
