I am directed to acquaint you that in accordance with the arrangements at present in force for the substitution of Special Periodical Surveys by successive General Examinations at twelve-monthly intervals, a General Examination for maintenance of class of the above-named vessel will require to be held before the end of **January next** and I shall be glad to learn, for the information of the Committee, when and at what port it is proposed to submit her for the requisite inspection.

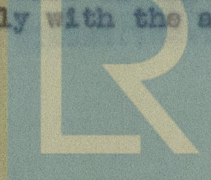

I am, Dear Sir(s),

Yours faithfully,

George Rocks, Esq.,

Malcolm K Scott

P.S. At the same time, I think it well to add that the Annual Load Line Survey will become due on the 5th January next, and it is concluded arrangements will be made for this matter to receive attention concurrently with the above General Examination.
