The Secretary,

Lloyds Register of Shipping,

LONDON.

S.S. "EROMANGA".

Dear Sir,

As instructed in your letter of the 19th. July, '21, the several points enumerated therein have now been investigated and are hereby answered in the affirmative with the exception of the test of the bower and stream anchors carried out by the Melbourne Surveyors and of which I have no record.

The date of the test of main boilers was 21st. April '21, the certificate issued being on the usual form Cert.B.1..

As directed the certificates will now be issued, this, I trust, being in order.

I am, Sir,

Yours faithfully,

E. M. Hughes.
