23rd May, 1939.

Dear Sirs,

With reference to the classification in the Society's Register Book of the Motorship "REGENT TIGER", I beg to acquaint you that the Committee have today had before them a report from the Society's Surveyor at Bristol, from which it appears that this vessel has been examined afloat and by a diver after grounding.

So far as could be seen no damage has been sustained, but it is recommended that the vessel be further examined at the next dry docking.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.
