Dear Sirs,

With reference to the classification in this Society's Register Book of the steamer "SCOTIA", which, it is noted with much regret, is reported to have sunk after an explosion in the North Sea on the 7th instant, I have to acquaint you that it is proposed to make a record of "Sunk - War Loss 12,39" against the vessel's name in the Register Book, but before taking any action, I shall be glad to learn whether you have any objection to this course being adopted in this instance.

An early reply on this point will be appreciated.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
