Dear Sir,

m.v. "SAN CALISTO" - Your Ref: R.

Replying to your letter of the 14th inst., we would advise that we have no objection to your reporting our m.v. "SAN CALISTO" as having been sunk - war loss - on December 2nd.

We would further add that we have unfortunately lost our m.v. "SAN ALBERTO". This vessel was torpedoed on December 10th and is also a total loss. Therefore she can also be recorded in your Register Book as "sunk - war loss."

Both these losses have been reported in the public Press, Therefore there is no further need for secrecy.

Yours faithfully,

For EAGLE OIL & SHIPPING COMPANY LIMITED.

The Director's letter is received and the matter is being dealt with as a matter of course. It is noted that the Director is of the opinion that the present position is not satisfactory and that it is necessary to take steps to improve it.

It is suggested that the Director should consider the possibility of appointing a sub-committee to investigate the matter and report back to the Board.
