6th April, 1937.

Dear Sirs,

S. I am in receipt of your letter of the 13th ultimo respecting the motorship "NORA MAERSK", from which it is noted that the new Owners have decided to repair and recommission this vessel to the Society's classification.

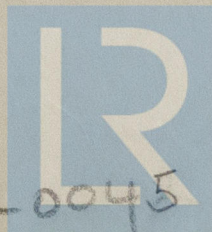

In the circumstances it is proposed to retain the particulars of the vessel in the forthcoming edition of the Society's Register Book, and I shall therefore be glad if you will kindly advise me should the Owners' present intentions not materialise.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
KOBE.
