6th November, 1936.

Dear Sir,

S. I am in receipt of your letter of the 1st ultimo respecting the motorship "NORA MAERSK", and note your remarks on this case.

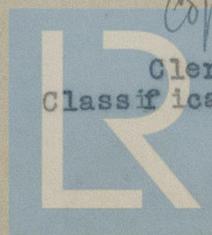

I may say that I am also in receipt of a communication from Mr. Pickering of Shanghai, and in accordance with his request, an inclusive ^{account for} Survey fee, expenses and cost of cablegrams is being sent to the Owner from this Office. I may say that it is not proposed, in the circumstances of this case, to make any apportionment of this amount to your port, and I shall be glad if you will kindly cancel the debit entry in your Books in respect of the item \$ 20, cable expenses.

In the meantime the case has been submitted to the General Committee and a Casualty notation of "Damaged by Fire 7,36" has been assigned.

I am, Dear Sir,

Yours faithfully,

G.H. Macdonald, Esq.,
HONG KONG.
