

M.V. "NORA MAERSK"

This vessel was badly damaged by fire at Zamboanga in July last, and at the request of the Owner, the Shanghai Surveyor, Mr. Pickering, proceeded to Zamboanga to ascertain the nature and extent of the damage. For his services and expenses in this connexion the Owner has paid the Society £235.8.0.

The vessel was towed to Hong Kong and Mr. Pickering was instructed to proceed to that port to advise the Owner as to the practicability or otherwise of repairing the vessel.

Mr. Pickering's report has now come to hand, and he requests that £205.11.0 might be collected from the Owner for his fee and expenses.

It is submitted that an account for this amount be rendered to Mr. Moller, and, in view of the circumstances, he might be furnished with a copy of Mr. Pickering's report to the Committee (No.4092), together with a copy of the repair specification and a photoprint of the results of sighting the deck and keel.
