ENCLOSURES

Dear Sir,

S. I have to confirm my cablegram to you of yesterday's date as per translation attached, having further reference to the Motorship "NORA MAERSK", which is now being towed to your port after extensive fire damage in the Phillipine Islands.

At the request of the Owners, Mr. H. Pickering, the Society's Senior Surveyor at Shanghai was sent to Zamboanga to hold a preliminary survey of this vessel, and with a view to meeting the Owners' wishes, he has been instructed to proceed to your port to make a further inspection on arrival.

I may add that a copy of this letter is being sent to the Society's Shanghai Office and it is concluded that by the time this communication reaches you, Mr Pickering will be in attendance at the survey.

I also enclose, for Mr. Pickering's information a translation of the cabled instructions which were sent to him in the matter, and shall be glad if you will kindly arrange to include the cost of my cabled messages, viz., £14.6.0, when the final account is rendered.

I am, Dear Sir,  
Yours faithfully,
