27th August, 1936.

Dear Sir,

S.

With reference to my letter of the 26th instant respecting your motorvessel "NORA MAERSK", I beg to acquaint you that Mr. H. Jasper Cox, the Society's Principal Surveyor for the Far East who was asked to give this case his personal attention, has recommended Mr. H. Pickering, the Society's Exclusive Surveyor at Shanghai as the most suitable Surveyor to undertake the desired inspection, both of the hull and machinery of this vessel, at Hong Kong.

In the circumstances I have cabled Mr. Pickering instructing him to proceed to Hong Kong for this purpose, as soon as he receives advices from the Local Surveyor when the vessel is expected to be ready for examination.

I trust that this arrangement will meet your wishes in the matter.

I am, Dear Sir,
Yours faithfully,

A. P. Moller, Esq.,

B. Kongens Nytorv,
COPENHAGEN.

Clerk to the
Classification Committee.
