s.s. "NORA MAERSK"

In view of the cablegram received from Mr. Cox it is submitted he be informed by cable that, in the circumstances, it will be sufficient if Mr. Pickering attends to the case both for hull and machinery. The cable should also instruct Mr. Cox to disregard the cable which was sent to him yesterday in respect of the testing of the tanks of the "SCHARNHÖRST", as that matter is being dealt with by letter.
