Enclosures.

23rd July, 1934.

Dear Sirs,

I am in receipt of your letter of the 18th instant with reference to the freeboard of the motorship "NORA MAERSK", and note your remarks.

I have now to enclose the usual assignment letters together with a copy of the Report G.11 on the case for submission to the Danish Authorities.

I shall be glad if you will advise this Office if the freeboard certificates in this case will be issued direct by the Authorities, (this being a new ship within the meaning of the Convention) or if the certificate form in English should be issued to the Owners to enable them to obtain the national certificate.

One set of the plans forwarded (Midship Section, General Arrangement and Curves) is being returned under separate cover.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

COPENHAGEN.

Secretary.
