Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

Enclosure

31st December, 1936.

Dear Sir,

S. With reference to my letter of the 22nd October last regarding the steamer "CAIRNGORM", I beg to acquaint you that the Committee have had the case before them to-day together with a note from the Society's Glasgow Office, intimating that this vessel is still laid up at Bowling awaiting your decision as to her future.

As you are aware, the Third Special Survey No.3 became due in December, 1935, but has not yet been held, and as the year of grace allowed by the Society's Rules has now expired, I enclose herewith the usual form of undertaking required in such cases, setting forth the conditions under which the Committee will be agreeable to the vessel's class in the Register Book remaining undisturbed whilst she is laid up, and I shall be glad if you will kindly return this form, duly completed, at your early convenience.

At the same time I enclose a duplicate copy of the form for your files.

J. Psardoudis, Esq.,
