Dear Sirs,

S. I am in receipt of your letter of the 29th ultimo respecting the steam trawler "CYMREA", and in reply I have to say that the remarks contained therein regarding the propeller shaft of this vessel are noted, but that in the circumstances there will be no objection to the letter addressed to the Registrar General of Shipping & Seamen sent to you on the 28th ultimo being handed to the Owners without amendment.

I have to request, however, that you will arrange for documentary evidence of the screwshaft having recently been seen by the British Corporation Surveyors to be forwarded to this Office if possible.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

HULL.
