28th July, 1932.

Dear Sir,

In compliance with a request received from Messrs. W.A.Massey & Sons Ltd., made on behalf of the Farrows Steam Fishing Co., Ltd., St. Andrew's Dock, Hull, I have the pleasure to inform you that the steam trawler "GYMREA" is now being surveyed by the Society's Surveyors at Hull with a view to being classed 100A1, Steam Trawler, in the Society's Register Book. The Surveyors state that the survey is well advanced and that it is hoped their report on the case will be forwarded to London this week, and I may say that provided the report be satisfactory the vessel will be recommended to the Committee for the class 100A1 Steam Trawler, as stated above.

I am, Dear Sir,

Yours faithfully,

pro Secretary.
