Dear Sir,

With reference to the Steam Trawler "CYMREA",  
No. 143807, and lately owned by The Cygnet Steam Fishing Co. Ltd.,  
200 Dock Street, Fleetwood, and registered at the port of Fleet-  
wood, we have to say this vessel has been sold through our medium  
Mr. W. C. Farrow, of St. Andrews Dock, Hull.

Acting on behalf of Mr. Farrow, we are having  
the vessel's port of registry changed to Hull, and new ownership  
registered, and we have also applied for the name to be changed to  
"MARK SYKES", port of Registry HULL, which name has been granted  
the Registrar General of Shipping, subject to the usual regulations  
being complied with.

This ship has heretofore been classed British  
Incorporation, but it is now desired that she shall be classed 100 A.1.  
Boys. We enclose herewith application for survey form signed on  
behalf of Mr. Farrow. When your requirements have been complied  
to the Registrar General  
with, we shall require a letter from your Secretary/stating this has  
been done, so we can secure the necessary authority to proceed with  
change of name, as in previous cases.

Yours faithfully,
