LISBON, 16th April, 1934.

The Secretary,
Committee of Lloyd's,
Lloyd's Building,
London.

Dear Sir,

m.v. "FAYAL".

As you are doubtlessly aware, our above-mentioned vessel has met with all requirements of the Surveyor of Lloyd's Register of Shipping, at this port, and we understand that the said gentleman has recommended to your Committee that our vessel shall be given her Classification with the Registrar.

Under these circumstances we should highly appreciate your circulating, in the Underwriters Room of Lloyd's, the fact that our vessel has passed her Classification, at the same time putting up the usual notices on the respective boards.

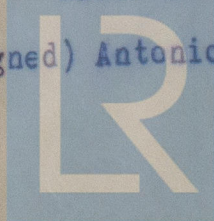

Thanking you in anticipation,

We are, Dear Sir,

Yours faithfully,

COMPANHIA ACOREANA DE NAVEGACAO

(Signed) Antonio José Villas.
