GROUNDING.

Nature of Survey

This vessel is reported by the

Newport

Surveyor,

to have been examined as far as practicable afloat and by a Diver, after soundings taken, no leakage found grounding, and so far as could be seen no damage appears to have been

sustained. The Surveyor, however, recommends that the vessel be further examined in drydock before the end of September

It is submitted

action be deferred & the Owners informed of the Surveyor's recommendation

PLATING to be DRILLED when vessel is 24 years old, or at next Special Survey thereafter.

The Certificate of Classification to endorse "Cargo battens not 2" and the same notation to be in the Register Book
