Framing Bulb angle frames as approved Sheerstrake

As approved.

The Surveyors also report the vessel examined afloat on account of a fire in the motor room, two frames faired in place, and motor room cleaned and repainted.

This vessel appears to have been built in accordance with the Rules and the approved plans, and it is submitted she is eligible to be classed **100A1 "With Freeboard"**

The Summer Freeboard as shown on the attached extract from the Freeboard Verification Form, now marked on the vessel's sides, to be inserted in the classification certificate and recorded in the Register Book, and further, the remaining freeboards, as shown on the accompanying extract, to be inserted in the certificate of classification.
