Secretary,

Lloyd's Register of Shipping;
LONDON.

Sirs;

S.S. "AKENSIDE" ex "Burnhope"

We are requesting your Surveyors in Cardiff to
inspect this ship for the purpose of assigning new Ordinary
Timber Loadlines under the Convention, and at their
request we enclose application form duly filled in.

We have sent them a General Arrangement of the
ship but have no further plans here and would greatly appreciate
your letting the Cardiff Surveyor have the necessary
particulars as promptly as possible as we wish to have this
disposed of in Cardiff before she proceeds to Port Talbot.

Thanking you in anticipation.

Yours sincerely;
