Dear Sirs,

"Doric Star".

We have the pleasure to herewith submit for your consideration and approval, print in triplicate shewing Drip Screens, Gutterways and Ventilation to amid-ship oil bunkers. The cofferdam vents indicated are as approved on plan of pumping arrangements submitted to you on the 8th November.

It will be noted we propose opening out casing sides to boiler space between second and third decks, and trust these arrangements will have your approval.

Yours faithfully,

For the Company.
