Dear Sirs,

s.s. "Doric Star"

We thank you for your letter of yesterday's date approving after re-consideration, the proposal to make midship cofferdam 21". This concession is appreciated and will assist the Owners materially in their endeavour to obtain maximum oil bunker capacity.

Although this cofferdam is somewhat limited for the purpose of access, we confirm that with special tools we will be able to guarantee satisfactory workmanship.

We are,

Yours faithfully,

For the Company.
