Lloyd's Register of Shipping,

Collingwood Buildings, Newcastle-on-Tyne, 1.

9th November 1933.

The Secretary,
LONDON.

Dear Sir,

We herewith enclose for consideration five sets of plans (in triplicate) in connexion with the additional fuel oil space on the s.s. "DORIC STAR".

Copies of the approved plans in connexion with the hull work are already in your possession, and we should be glad to receive early consideration of the plans now forwarded.

Messrs. Palmers Hebburn Co. Ltd. wish one set of plans to be returned to them duly stamped, one set may be retained in London, and we require the third set for guidance.

The plans are as follows :-

Arrangement of	oil filling station.
"	" heating coils in tween decks & E.R. bunkers. ✓
"	" O.F. connections in No. 6 Hold oil fuel tanks. ✓
"	" " for tween decks & E.R. bunkers. ✓
"	" " for cross bunkers.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS
