Dear Sirs,

S.S. "DORIC STAR".

We herewith submit for your consideration and approval, prints in triplicate giving scantlings of new hatch webs at upper deck. Alternate webs where marked \* on plans, to be arranged to take insulated plug hatches, the webs marked ✓ being strengthened for the carriage of chilled meat.

We do not submit details of weather deck hatch webs as it is our intention to utilise the existing webs in upper deck hatchways, renewing only where survey proves them to be unfit for service.

We will be glad to have your early approval so that we may proceed with the work at the ship at the earliest possible moment.

We are,  
Yours faithfully,  
For the Company.
