

FREEBOARD REPORT on the

S/S Antonio's Vondissis.

It is submitted the Freeboards given on the accompanying form, being those required by the Tables, merit approval, subject to:-

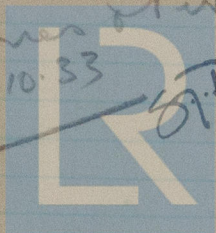

- 1) The wood fore-and-afters of bunker hatchways on Bridge and Freeboard Decks being renewed to Convention requirements, and hatchway beams, fore-and-afters, battens and cleats being overhauled where necessary to Surveyor's satisfaction.
- 2) Hatch cover bearing surfaces, where less than 2 inches in width, being increased to comply reasonably with the Convention.
- 3) An additional tarpaulin being provided for the Saddle Hatch on the Bridge Deck.
- 4) Broken side scuttle glasses in Forecastle Space being renewed.

Greek Convention.
