Antwerp,

January 13th 1904.

ANSR

Reg. form asked for 14.1.04

The Secretary,

London.

Sir,

S/S Rosina

We beg to forward herewith the midship section & profile plans of the Chantier Naval Anversois No 23 & regret that these were not sent yesterday with the Freeboard report.

Will you kindly return these plans when you have finished with them.

We are,

Sir,

Your obedient Servants.

A. P. Cornish

For the Surveyors.

2 plans under separate cover.

Vertical distance from bottom of keel or from top of deck at side amidships to lower edge of lowest side scuttle.

(N.B.—This dimension need not be reported unless the sill of the lowest side scuttle would be less than 6 inches above the summer line.)
