Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

Enclosure.

16th May, 1933.

Dear Sirs,

H.
I am duly in receipt of your memorandum of the 11th ultimo relative to the Screwshaft Survey of the steamer "CABO CULLERA", and in reply I have to say that in view of the fact that this vessel is still laid up and that it is the Owners' intention to carry out the inspection in question before she is again placed in commission, the Committee will be agreeable to the survey being postponed for the present.

I shall be glad if you will inform the Owners accordingly, and at the same time transmit to them the enclosed letter in regard to the boilers of this vessel.

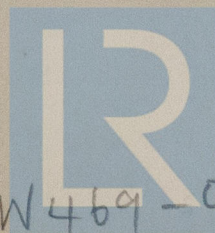

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,

Coy
BILBAO.
