Enclosure.

6th September, 1929.

Dear Sirs,

S.

I was duly favoured with your letter of the 30th ultimo respecting the Fourth Special Survey No.2 of your steamer "CABO CULLERA", and note what you say on the subject.

The Committee quite appreciate your hesitation to give an assurance as to when you will be in a position to complete the inspection.

In the circumstances they desire me to forward to you a printed form containing an undertaking which is customary for Shipowners to give in cases such as that of the "CABO CULLERA" and I shall be pleased if you will kindly sign the same and return it to me in due course.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.
