remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/32).

of Survey.....

The 4th S.S.No.2 became due 4,28.

The vessel has been laid up at Bilbao since July, 1928.

The Bilbao Surveyors now report the vessel examined afloat, the fore peak, Nos. 1,2,3 and 4 holds and tween decks and double bottom tanks examined internally.

Repairs are required to the fore peak, holds and tanks.

Nothing further was prepared for survey.

In the meantime the vessel is still laid up, and no work is being proceeded with.

The year of grace expired 4,29.

The case is submitted for the consideration of the Committee.
