To the Surveyors at **BILBAO.** X

Ship's Name, **s.s. "CABO CULLERA"**

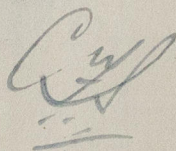

QUESTION.

ANSWER.

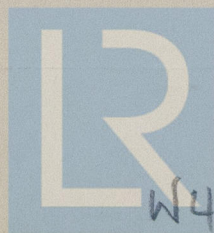

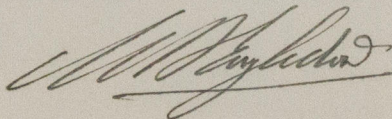

Date:— 3rd December 1928

With reference to your letter of the 3rd September last, I shall be glad to learn whether this vessel is still laid up.

At the same time I have to point out that the Boiler survey is now due.

The s.s. "CABO CULLERA" has been laid up at Bilbao for some considerable time and the Owners Superintendent now advises us that she is being opened up and prepared for submitting for the Special Survey and as soon as the vessel is ready we would be advised to effect the inspection.
