Dear Sirs,

I am in receipt of your letter of the 23rd instant relative to the steamer "CABO GUILLERA" from which it is noted that the vessel is expected to arrive at Bilbao in about four days' time when she will be laid up, and in the circumstances I have to say that the Committee, who have had the case before them at their meeting today, are agreeable to the 4th Special Survey N°2 being postponed for the present.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

The Surveyors,

BILBAO.
