Ans.

Sir,

With reference to your letter of the 25th ult., relating to the 4th Special Survey N°2 of the steamer "CABO CULLERA" we communicated with the Owners regarding their intentions in this matter and we are now in receipt of a communication from them advising us that this vessel is to be laid up on her arrival at Bilbao.

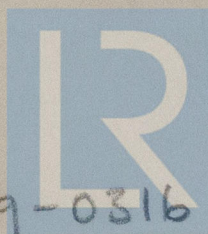

We presume that the Owners will make arrangements for the survey in question to be effected before the vessel is placed in commission.

We are, Dear Sir,

Yours faithfully,

For the Surveyors.
